## Ufferman Named Venus As Chariots Roll

Pictured above are Flora Ufferman, chosen as "Venus" at the annual Kappa Sigma Chariot Race held Saturday, surrounded by Gretchen Van Brunt (left) and Barbara Jisa (right). Inset: Jack Jadel and Werner Freundlich strain to pull their chariot through the rain to the finish line.

Flora Ufferman, Gamma Phi Beta, was crowned Venus for a Day, at the fifth annual Kappa Sigma Chariot Race Saturday.

Despite a driving rain that brought chills and goose pimples to the warriors and slaves, Phi Delta Theta won first place in the men's division for the second consecutive year.

In second and third places in the men's race were Sigma Chi and Delta Upsilon.

The Chi Omega chariot pulled away from its opponents in the women's division to take first place on the 75-yard straightaway. WIS and Alpha Phi took second and third places respectively.

Delta Gamma's chariot was judged to be the most authentic and original chariot in the event by judges Col. William C. Lucas and Col. Thomas R. Malone, of the University ROTC unit.

An airplane opened the event by flying low over the field and dropping flowers to the crowd.

The queen arrived in a convertible with her attendants, Barb Jisa, and Gretchen Van Brunt. She was crowned by Dick Teske, chairman of the race.

## Many Summer Jobs Still Open To Students

Summer jobs, mostly of the counselor variety, retail positions in department stores in Columbus, Toledo, Cleveland, and Akron, as well as one position in Central Foundry in Defiance, still are open, according to Ralph H. Geer, director of the bureau of appointments.

## More Student Pics Appear In New Key

Although the 1952 Key is 32 pages smaller than last year's annual, there are more individual pictures than ever before, according to Howard Hahn, editor.

This year's annual presented the academic side of the campus more than it has in the past, with less copy being used. Arranged according to departments, the honoraries' and clubs' copy is included in that of the department.

For the first time since 1946, the juniors were presented in their section in individual pictures.

Because of a drop in the enrollment and a cut in the allocation from the activity fees, the Key staff was forced to operate under a budget cut of \$5,000.

The 1952 Key is dedicated to Dr. Frank J. Prout.

## Wary BGSU Students Devise Methods To Survive Finals

BY MANLEY ANDERSON

Open season on Bowling Green students begins Thursday. The wary ones have long been devising methods by which they hope to emerge unscathed.

Perhaps the ideal solution to the situation lies in securing a copy of the final examination in advance... without the instructor's knowledge of course. This may entail considerable difficulty and danger but those who have successfully accomplished this maneuver admit that the end results justify the risk involved.

However, a word of warning should be inserted here. It is a task worthy of careful planning and foresight. Any miscalculation on the part of the entrepreneur may well jeopardize his entire collegiate career.

Those students with friends of a less venturesome turn must resort to more drastic measures. For some this may even mean concentration and study. The kilowatts mount up as books, unopened all semester, are exposed to the light. Notes, outlines, and previous exams occupy a position of prominence as

## Scholarship Lead Taken By Delta Zeta

Dean Florence J. Currier has released sorority scholarship averages for the first semester of this year. They were announced at the Panhellenic Banquet Thursday night.

Delta Zeta sorority was awarded the City Pan-Hel silver tray for the greatest scholastic improvement during the semester. The City Pan-Hel is composed of faculty and townswomen who represent 15 national sororities not located on this campus.

The all-sorority average is 2.8590, as contrasted with the all-women's average, which is 2.5518. Average for the whole campus is 2.3882.

Sorority point averages are:

Delta Zeta	3.1971
Alpha Delta Pi	3.0518
Alpha Delta Epsilon	3.0104
Gamma Phi Beta	2.8777
Phi Mu	2.8625
Delta Gamma	2.8496
Alpha Xi Delta	2.8357
Kappa Delta	2.8341
Alpha Phi	2.8339
Alpha Chi Omega	2.8062
Alpha Gamma Delta	2.7292
Chi Omega	2.6779

## Falcon Sig Gets Journalism Cup

The "Falcon Sig" of Sigma Chi is the winner of the annual Delta Sigma, men's journalism honorary, publications contest.

Second place in the contest went to Alpha Tau Omega for its publication, "The Boys."

Choice of a winner was difficult, according to Prof. Jesse J. Currier, head of the journalism department, due to the different nature of the two publications.

The "Falcon Sig" is a magazine, while "The Boys" is more like a newspaper, Professor Currier said.

## Applications Ready

Students desirous of scholarship or grants-in-aid are requested to file applications with John W. Bunn, director of admissions. Blanks may be obtained in Mr. Bunn's office.

## '53 Key Editor Appoints Staff

Helen Diedrick, editor of the 1953 Key, has announced the appointment of staff members for next year's yearbook.

They are: Pat Davison, assistant editor; Norma Vlasak, engraving editor; Shirley Good, copy editor; Charles Ihrie, photo editor; Stanley Richmond, laboratory technician; and Jerry Enright, sports editor.

These appointments are subject to approval of the publications committee.

The business and other editorial staff heads will be announced later.

## Summer Art Shows Started By Pianist

The summer Artist Series will begin June 13 with a recital by Russell Danburg, a brilliant pianist now teaching piano at the University of Florida at Gainesville. He had planned to be on tour in the area and has been engaged to begin the summer series.

Artist Series programs will be held Friday nights throughout the season. Program time is 10:15 a.m., a time set aside so as not to interfere with summer class schedules. The series will be presented in the Main Aud.

A male quartet known as the Serenaders will appear here June 27. They formerly were called the Cavaliers and have made frequent appearances on all major networks and several television shows.

Third program in the series will be an appearance by the Katherine Flower Dancers of Chicago July 18. They will present a program of historical Negro folklore dances.

The dances date back more than 300 years in American Negro folklore and in them may be detected the historical beginnings of some of our seemingly "modern" theater. The amazing variety includes the primitive dance rituals springing from the Voodoo Snake Worship and Black Magic of the Louisiana Creoles.

The last guest of the season will be Harrison Wood, author, lecturer and noted radio news analyst, who will appear July 25. He is a foreign correspondent who has visited personally with such world figures as Josef Stalin, Winston Churchill, Chiang Kai-Shek, Mao Tse-Tung, Tito, and Neru of India.

## Averages Sent To Induction Centers

Computation of class rank, to be submitted to local draft boards, will be determined on the basis of grades as of May 31, according to Glenn I. Van Wormer, registrar.

The hours of "incompletes" will be included in this computation with no quality points. The removal of incompletes after May 31 will not alter the class rank of a student until next fall.

## Editor Considers Himself 'Lucky'

TAKE A BREAK.

With Tindall

A college newspaper editor is a lucky fellow! There comes a time at the end of every college student's career when he writes his last exam, puts on his cap and gown to receive his diploma, and suddenly, perhaps sadly, discovers that he must bid farewell to a great many people. Here's one place where the editor is lucky—he can write his "swan song" in the hope that most of his college acquaintances will read it.

We seniors who make up the class of '52 leave this institution at a time when the world needs forward-looking citizens as never before. But we believe no one will begrudge us a few moments to look backward on the brief but important four years at BGSU, a period filled with too many memories to squeeze into a few column inches of newspaper space.

As a senior, I have many memories, not all of them pleasant. As an editor and journalist, I have even more, for I have helped record the deeds of others. From the time I entered dusty, empty North Dorm as the second bewildered freshman there in September, 1948, I have created my own record, and at the same time have written about my contemporaries. And my contemporaries of '52 have left outstanding records to write about in their four years of endeavor here.

In scholarship, speech, music, athletics, and social and religious affairs, we have done our share of leading and following. We have taken leadership in plays, been elected to class and campus offices, starred on the basketball court, the baseball diamond, the track, and football field, and have helped put out the campus publications. Many of us joined the Greeks, and many of us were initiated into honoraries. Outstanding work on the ROTC drill field brought honor to more of us.

But what will be most important to us in years to come, we have studied. With varied intensity and varied success, of course. But this was the main reason for our being here, and the results of this study are the chief attributes that distinguish us from those who don't go to college.

And your editor, while meeting those academic obligations, has been lucky enough to write about his contemporaries in their shining hours as they have taken part in honor assemblies, plays, concerts, and basketball games. I saw Bowling Green reach its peak enrollment. I took the journalist's interest in the glorious expansion of dorm and classroom facilities, the not-so-glorious student strike, and the visiting Artist Series personalities. I have been fortunate enough to know two BGSU presidents, writing about the retirement of one and the inauguration of the other.

My, and the rest of the seniors, four years will be quickly forgotten as young Bowling Green grows to educational maturity. But I'm still

a lucky fellow, for right now I can take the opportunity to thank all those people who made these years so worthwhile.

So, thanks to a grand and co-operative B-G News staff, including Fran Coe, Jerry Klever, Hal Fraley, Carol Sutcliffe, Manley Anderson, Pete Ray, Bill Greenhill, Jo Vickers, Lois Hayes, Pat Osborn, Shirley Good, Bob Bone, Hal Van Tassel, Hil Black, and Flo Beatty. All credit to a friendly journalism faculty who worked so patiently to make something of a journalist of me. Warmest thanks to Prof. Robert Steffes, wonderful adviser and sincere, helpful friend.

To my professors, the finest, most helpful group of all, goes my ever-lasting gratitude for so patiently and capably leading me through the maze of higher education.

—Don Tindall

## In Our Opinion

## Hopes, Memories, Regrets

The end of another year of school has come, and with it the hopes, memories, and regrets that accompany such an occasion. More than 500 students will leave Bowling Green next week for definite destinations unknown. With them will go the blessings of the many people who were responsible for their education thus far, especially their parents.

Some of the graduates will strive for higher education, others for success in business, social work, and/or family life. Many of the degree recipients remember their four years with smiles, recalling that it was a pretty good idea to come to college after all. They will remember this University at its biggest and best, for that's how they knew it as freshmen. They can recall the pains on a national level, and the signs of unrest demonstrated in the student strike of their

sophomore year. They saw a president retire in their junior semesters, and found that activities took more time than before because each sponsoring group wanted to show what it really could do at full strength. This year's recollections are still fresh in mind.

Of course, there are always regrets to be considered when one is leaving an institution which stands for the high ideals and clear thinking which may be evolved from life. Long after that diploma becomes private property, next Friday's graduate may regret having gone only as far as he did in his college life. He may regret a million things that he didn't do while he was at Bowling Green, but these regrets will be diminished by the thought of his better-than-ever chance in the outside world, brought about because he attended college.

Whatever his hopes, memories, or regrets, we wish the graduate well—may he ever remain a high example of his own education.

## Ode To Finals

'Twas the night before "Finals" and all through the dorm Every creature was cramming to weather the storm. The textbooks were lined on the tables with care, While volumes of notebooks were piled everywhere.

I try to remember why "A" equals "B," What H.O. stands for, who set the slaves free. But all I can think of is that oft-quoted rhyme, "Procrastination is the thief of time!"

Then a spark of hope rises out of anguish so deep. I breathe a hurried prayer as I drop off to sleep, "May Providence have mercy on poor, ignorant me, And send to my rescue a fat, healthy 'C'."

## Three Departments Give Music Show

The vocal, instrumental, and physical education departments of the University will be represented in the Lab School annual spring music program which will be held today in the Amphitheatre at 1:15 p.m.

## Senior Picnic Held Saturday At Park

The senior class picnic will be held Saturday, May 24, at Sidecut park. This will be the final class event.

Only one member of a couple must be a senior. Car rules will be relaxed for those girls attending the picnic. Bring your own food; soft drinks will be furnished. Those people desiring transportation will meet in front of the Ad. Bldg. at 2 p.m.

## McDonald Initiated

Dr. Ralph McDonald was initiated into Sigma Theta Epsilon, men's Methodist Service fraternity recently as an honorary member.

Following the ceremony, a banquet was given in honor of Dr. McDonald and nine others also initiated.

swayed correctly. First—ignore the obvious. Second—know the rest of the material well. Third—and last—convey that knowledge to them in such a manner that they know that you know what you are talking about. Second advice. Heed it.

As the time draws near, one observation cannot be overlooked—those individuals who systematically prepare themselves for final exams became extinct at about the same time as the Dodo bird. Evolutionary processes have replaced them with the type we know today—the type who, at 11 p.m., rushes into his room shouting, "Put the coffee on, get out the No-nods, and empty the ash trays. I've got a final first thing in the morning."

## Reminiscing Reveals Highlights Of Year's Variety Of Activities

The scholastic year 1951-52 has been a memorable one at Bowling Green. If you doubt this, let's reminisce a bit and consider what's been doing on campus.

A total of 3,442 students enrolled last September. The women might be interested to know that there were 410 more men than coeds wandering around campus.

Six hundred forty-six seniors returned, while 1,055 freshmen began their college career.

The football season opened with Fred Durig leading the Falcons to victory over Ohio Wesleyan. Nearly 4,000 fans attended.

Nearly as exhausting as football scrimmage was the Panhellenic Tea where many new coeds met Greek coeds and vice-versa.

Student politicians were happy to hear that the elections committee revised campaigning rules, making less work for all concerned.

Along with October came a faculty recognition dinner for Dr. Frank J. Prout. The Chapel was named for him at this time.

The men were playing football with too much enthusiasm, as injuries caused more stringent rules to be introduced in inter-fraternity football games.

Jeanne Crain came to campus and revealed that "Take Care of My Little Girl" was produced for the reason most movies are—box office receipts.

Vice-president Alben W. Barkley spoke on Americanism and a few weeks later the Don Cossack Chorus entertained with sword dances and Russian music.

A slight brawl in the mud ended the football game between the Toledo University Rockets and the Falcons here Oct. 26. This was Bob Whittaker's tenth year as coach here.

Homecoming week end saw the Falcons tie Kent before a freezing crowd of alumni. "Swing It, Shakespeare," that week end almost brought back the old Bard, himself.

Nine speakers led discussions for a successful Christian Living Emphasis Week in December, while cagers opened their 26-game season with a victory over Gustavus Adolphus.

In this, the last month of the year, "Portrait In Black" was

given; plans were made to use the Phi Tau house as a student organization center, and a chorus of 352 sang Bach's Christmas "Oratorio" instead of "The Messiah."

In January the Falcons, in a thrilling overtime game at TU, nipped the Rickets 54-53. A Cappella left for a Southern tour and Harry Shearer was given a plaque as the school's all-time swimmer.

The eleventh cottage-type dormitory was completed and members of Delta Zeta sorority moved in. Radio Station WBGU was being heard.

The man who sang "Old Man River" in "Showboat," William Warfield, presented a concert. Students learned that fees, room and board would be increased next year.

The 213 pints of blood collected from students and faculty in the Rec Hall broke a record for the bloodmobile unit of the Red Cross.

Over in the Natatorium, the tankers were practicing for the Ohio Relays in which they were to win six events. On the basketball court, the Falcons lost the peace pipe to TU in an overtime game.

Pledge pins were distributed to 197 women and 170 men at the close of formal rushing.

March was another busy month, for the Treble Clef made its mid-Western tour, Jose Limon gave a recital, Western Kentucky liked the Falcons, "Much Ado About Nothing" had its premier, John Schwartz, emeritus professor of history, died, and a faculty reduction of 27 was announced.

"Sands of Time," the Swan Club's annual show, exhibited the swimming talent of some of BG's coeds.

Announcement was made that fraternity room rent will go up next year and more improvements will be made on Fraternity Row.

A dinosaur was featured in one of the most unusual plays seen on campus, "Skin of Our Teeth." The two big spring dances, U-A Prom and Greek Week Dance, brought the music of Elliot Lawrence and Billy May.

Spring was queen - crowning

## Dallas Brim Heads Men's Music Group

Officers elected for next year's Men's Glee Club are Dallas Brim, president; Donald Brenner, vice-president; and Darl Ault, business manager.

Other officers will include Clair Knepper, assistant business manager; Robert LaPlant, publicity manager; Rodney Rish, secretary; Albert Werden, librarian; John Cold, historian; and John Zwickey, stage manager.

The group is planning tentatively on an eastern trip next spring, according to newly-installed president Brim, as well as many other activities in addition to regular concerts.

## Journalism Department Holds Banquet

More than 120 persons connected with the production of campus publications attended the annual Publications Dinner in the Commons last night.

Retiring members of the Publications Committee, Dean Arch B. Conklin, Dr. Paul Leedy, and Prof. Russell N. Baird, were especially honored at the dinner.

Jerry Enright received the outstanding freshman journalist's trophy, awarded by the Press Club. Five honor awards were given to outstanding seniors in the field. Recognition and achievement awards were conferred upon 45 students in the other classes.

Prof. Jesse J. Currier, journalism department head, was toastmaster for the event.

time as Daisy Mae, Miss B-G and the May Queen and Court were presented.

At impressive ceremonies, the fourth University president, Dr. Ralph W. McDonald, was inaugurated.

Throughout the year the Greeks were busy with banquets, dances, dinners, parties, Derby Day, the Bike Race, the Chariot Race, and, of course, Greek Week.

Honors Day is past, the Key is out, and there's just one big event on the horizon—graduation.

# Thinclads Dump Cincy By 79-48; B W Next Foe

BY JERRY ENRIGHT

Leaving the rain behind, the Falcon cindermen traveled south to Cincinnati Friday and returned Saturday night after defeating the Bearcats, 79-48.

Running on a dry field, the track men gained 10 out of 16 first places, including a clean sweep of the high jump. Larry Hall also set a new varsity record of 1:58.2 in the 880 yd. run.

Bill Bradshaw cleared 5'10" as he won first place in the high jump, and left two of his own teammates, Rockel and Previdi, in a tie for second and third places.

Hall's mark of 1:58.2 was just 42.3 seconds faster than Ray Bertelsen's mark of 2:00.5, set two weeks ago. Dunton of Cincinnati finished second, with Bertelsen right behind him.

Maurice Sandy dashed a 100 yards in 10.1 seconds to cop first place in that event, and then went on to win again in the broad jump. His jump was 21'8 1/2."

With the Cincinnati meet finished, the cindermen have only three more meets scheduled, two of which are scheduled after school is out.

Baldwin-Wallace will be the foe for the Orange and Brown next Saturday as they travel to Berea for their final meet before the Central Collegiate Conference Meet in Ypsilanti, Mich. May 31. Last year the Falcons were fifth in the CCC meet.

Saturday, June 7, the BG cindermen will wind up their season at Delaware, where they'll compete in the All-Ohio College Meet; the Falcons were fourth last year.

So far this season, the Falcons have won three and lost three meets to better last year's two won, three lost record. With Crosten, Hall, Sandy, and Bertelsen in fine condition, there is a good chance that BG will end up with a six won, three lost record.

Victories were over Ohio University in the opener 72 1/2-54 1/2, Kent State 69-58, and Cincinnati. Losses were to Western Michigan 100 1/2-35 1/2, Albion 72 1/2-68 1/2, and the University of Michigan JVs 63-59.

## Tennis Team Beaten Twice

Bowling Green's courtmen dropped two matches last week, Michigan Normal taking a 6-1 decision Friday and the University of Detroit winning on a 9-0 shutout Saturday.

The match with Lawrence Tech, scheduled for May 20 and postponed due to bad weather, will be played this afternoon.

Manny Koginos turned in Bowling Green's only win of the Michigan match as he took 6-3 and 8-6 sets from Menzi.

BG's John Burbridge lost to Normal's Collins in the singles matches by 7-5, 6-2; Al Marwede was dumped by Best of Michigan 6-3, 6-1; Gordon Asch was defeated 6-2, 6-3 by Grisdale; and Dick Schultz lost 6-3, 1-6, 6-4 sets to Michigan's Raabe.

In the doubles, Koginos and Burbridge were defeated by Collins and Best 7-5, 6-4, and the Falcon duet of Marwede and Asch was bested by Menzi and Grisdale by 6-2, 6-4.

Burbridge and Asch will be lost to next year's tennis squad through graduation.

The Falcon netmen now have a season record of a single win and six losses. The win was over Michigan Normal, 4-3, on April 26. Losses were to Kent State, 5-2; Toledo, 6-1 and 4-0; Ohio University, 6-3; Michigan Normal 6-1; and Detroit 9-0.

The last two defeats were very close, both being decided by single events.

Graduating seniors from this year's squad are Larry Hall, Lee Pate, Elmer Sealf, Dave Smith, Martin Smith, Phil White, and Jim Workens.

The results were:  
880 Relay—Cincinnati 1:33.2.  
Mile Run—Pate (BG), Crosten (BG), Wahle (C)—4:30.4.

440 yd. dash—Sullivan, Wright, Ruck (C)—51.8.

100 yd. dash—Sandy, Geisen (C), Shalosky (C)—10.1.

120 high hurdles—Slager, Cox (C), Husic (C)—16.2.

880 yd. run—Hall, Dunton (C), Bertelsen—1:58.2 (New varsity record).

220 yd. dash—Geisen (C), Hubbert, Springer — 23. (Around curve).

2 mile run — Crosten, Pate, Wahle (C)—10:09:5.

220 low hurdles—Slager, Cox (C), Bradshaw—27.4. (Around curve).

Mile Relay—Bowling Green — 3:34 (D. Smith, Hall, Dorenkott, Wright).

Pole Vault—Culbertson (C), Zickes and Sealf tied for 2nd and 3rd—11'.

Shot Put—Shalosky (C), Merich (C)—46' 1 1/4".

Discus—Husic (C), England, Kessler (C)—126' 3 1/4".

Broad Jump—Sandy, Previdi, Ruck (C)—21'8 1/2".

Score—Bowling Green 79; Cincinnati 48.

## Stellermen End Season Against Toledo Saturday

Bowling Green's baseball team, smarting a little after two tough losses in its last three games, will tangle with Toledo U Saturday for the third time in the season's closer.

The Falcons' much-anticipated revenge contest with Kent State was rained out Monday. Kent had earlier handed the local nine one of its three losses, 5-3, in the second tilt of the season. This was the first wash-out of the year for BG.

Toledo U has been dropped twice this year by Coach Warren Steller's boys; one was unofficial, however. The first win was by 6-1 on Dick Casper's 2-hitter April 28. The other was a 9-3 four-inning affair as a preliminary to a professional Toledo Mud Hen night game.

Although it will never reach the record books, the contest was featured by left fielder Ron Penkoff's bases-loaded home run over the right field wall.

Wins were over Michigan Normal in the opener 2-1 in 10 innings, Ohio State JV three times—16-7, 18-7, and 11-10, Toledo 6-1, and Wayne twice—15-3 and 10-2.

Graduating seniors from this year's squad are pitchers Dick Casper, Bill Stough, and Bob Lybarger; outfielder Jack Carnahan; and second-third baseman Hughie Dominic.

# Falcon Golf Team Evens Season Mark With 3 Wins Last Week

BY DON KELLER

With the golf season rapidly running out here at Bowling Green, the Falcon squad managed to win three matches over the week end and gain a tie in a fourth.

Northern Illinois and Michigan Normal fell easy prey to the local crew Saturday by scores of 9-3 and 10-2, at the Washtenaw Country Club in Michigan.

Thursday, John Carroll was beaten 7-5 while Toledo tied the University 6-6 at the Highland Meadows Golf Club in Toledo.

## Sigma Nu, SAE Will Decide Ball Title

Sigma Nu and Sigma Alpha Epsilon will tangle for the fraternity softball crown sometime this week. The championship game was originally scheduled for Monday night but rain forced its postponement.

The two teams, champs in their respective 8-team leagues, swept through their schedules without losing a game.

Michigan Normal was an earlier victim of the Falcons, 17-1, in April while Toledo also tied the local varsity in an earlier match here, 6-6.

In the Illinois meet, Dave Slough of BG drove a 37-39-76 to oust the Illini's Roger Lindeman's 38-40-78. Slough picked up three points for the Falcons.

Jim Dysinger of BG hit a 36-39-75 to top Ken Henry's 41-42-83 and garner another three markers. Bob Combs of the local bunch could only hit a 43-40-83, but it was enough to drop Len Benson of Illinois who shot a 45-43-88.

Frank Glogovsky picked up the only three pointers for the NI boys with a 39-37-76 win over Bowling Green's Dick Rodney who hit a 40-44-84.

In the latter meet of the day, Jerry Brown of Michigan Normal slammed a 40-37-77 to edge Slough's 37-39-76. Dysinger hit a 76 total to down Carlson of MN who shot an 89.

Rodney helped the Falcon cause with an 84 to best Wendling of Michigan with a 93. Combs shot an 83 for the University to beat out Barlow on MN, 90. Dysinger, Rodney, and Combs each picked up

three tallies for the Falcons while Brown got one.

Spross and Hayes of Toledo beat Slough and Combs of BG, 78 and 79 and 85 to lead the Rockets cause in Thursday's meet. Rodney and Dysinger shot an 80 and 76 respectively to top Smith\* and Francis of TU with an 82 and 80 each.

Dysinger got three points for Bowling Green, Rodney two, with Hayes and Spross getting one-half each.

In Thursday's other meet, Dysinger split with John Carroll's Hubbard with a 76 to an 80. Slough beat Moran 78-80 while Rodney hit an 80 with Carroll's Dannemiller. Ross of Carroll dropped Combs of BG by 78 to 85.

## FRATERNALLY YOURS

By Shirley Good and Pat Osborn

Dear Greeks:

It's been quite a year—keeping up with all your doings. Our typewriters slipped once in a while and the Alpha Chi Omegas came out as Alpha Phi Omegas—but we tried. We phoned an average of 20 fraternities and sororities each week, and always breathed a thankful prayer for the faithful few who turned in their own items. It's been fun, and as we leave these hallowed halls, we have one final thought, "Columnists may come and go, but the Greeks go on forever."

Fraternally yours,  
Shirley and Pat.

Well, they all made it! The last of the pledge classes are now active and the days of servitude are gone forever (until next year). Sigma Chi, Alpha Gamma Delta, Alpha Sigma Phi, Alpha Delta Pi, Phi Kappa Psi, Phi Delta Theta, Sigma Nu, and Alpha Tau Omega went active last week end and this week.

Pat Smith was given an award as the ADPI's outstanding pledge at the group's new - active and founder's day banquet Saturday evening.

Mac Blakemore was chosen honor pledge of Alpha Sigma Phi, and Marvin Shafer, outstanding Sigma Nu pledge.

At the Sigma Chi formal banquet Saturday, Phil Collier was named outstanding pledge and Phil Goetzmann, outstanding active.

As if it weren't raining enough already, the Alpha Sigma Phi's and Theta Chi's picked Monday evening to have a water fight.

Gamma Phi Beta honored Helyn Rudolph as outstanding pledge; Katherine O'Connor, outstanding junior for activities; and Carolyn O'Connor for the most improvement in point average.

Alpha Gams and alums held their annual Feast of Roses Banquet Saturday.

Flo Beatty was voted outstanding senior of Delta Zeta, and Helen Harned was named outstanding pledge.

Sigma Phi Epsilon will have an exchange picnic with Kappa Delta Thursday.

"Scrapbook of Alpha Chi Omega," was the entertainment theme at the AChiO Parent's Day Sunday, at which the sorority entertained 120 guests.

Recent dinner guests of Sigma Alpha Epsilon were Ivan "Doc" Lake and Mrs. Lake. Mr. Lake, sports editor of the Bowling Green Sentinel-Tribune, was greatly responsible for founding SAE on this campus, and recently has been elected archon of Delta province.

ADPI pledges gave a backward television party for the actives Thursday at 5 a.m. Breakfast was served starting with coffee, lime sherbet, and cookies, and ending with grilled cheese sandwiches and salad. Please pass the Alka-Seltzer.

Phi Kappa Tau had a banquet Sunday for the graduating seniors of the group. Alpha Phi gave a picnic for its seniors Monday.

Gamma Phi alums gave their annual dinner for the girls at the home of one of the alums in town Sunday.

Pi Kappa Alpha's closed formal was Saturday night in the American Legion Hall. Their theme was the fleur-de-lis.

## Caudill's Orchestra To Play For Year's Final Informal Dance

Giant cacti and cactus flowers will set the mood for the Alpha Phi-esta Saturday night in the Women's Gym. A costumed orchestra will play beneath a ceiling of woven crepe paper. Friday night there will be a square dance in the Women's Gym.

The Phi-esta, the last all-campus social event of the year, will be from 9 to 12:30. There will be tables around the dance floor and flowers for favors.

Because of the many formals the past few weeks, the Phi-esta is be-

ing substituted for the annual Alpha Phi Farewell Formal. The Phi-esta will be informal.

Hal Caudill's orchestra will play for the first time this year at the dance Saturday. Caudill will not be there, but the band will consist of most of the same members, and they will use many of the old arrangements.

# Be Happy-Go Lucky!

When classmates "bum" a cigarette,  
They always come to me,  
Because they know I smoke the best—  
That's L.S./M.F.T.

Mildred Brown  
Fresno Junior College

Anatomy's my roughest lab,  
But everything is ducky  
When I can lay my scalpel down  
And light a tasty Lucky!

Richard J. Dorger  
University of Cincinnati

In a cigarette, taste  
makes the difference—  
and Luckies taste better!

The difference between "just smoking" and really enjoying your smoke is the *taste* of a cigarette. You can *taste* the difference in the smoother, mellower, more enjoyable taste of a Lucky . . . for two important reasons. First, L.S./M.F.T.—Lucky Strike means fine tobacco . . . fine, mild tobacco that tastes better. Second, Luckies are *made to taste better* . . . proved best-made of all five principal brands. So reach for a Lucky. Enjoy the cigarette that *tastes better!* Be Happy—Go Lucky! Buy a carton today!

But I don't need a course to know
